PRICING

Except where noted otherwise, the List Price or Suggested Price displayed for products on any PlentyBay Service represents the full retail price listed on the product itself, suggested by the manufacturer or supplier, or estimated in accordance with standard industry practice; or the estimated retail value for a comparably featured item offered elsewhere. The List Price or Suggested Price is a comparative price estimate and may or may not represent the prevailing price in every area on any particular day. For certain items that are offered as a set, the List Price or Suggested Price may represent "open-stock" prices, which means the aggregate of the manufacturer's estimated or suggested retail price for each of the items included in the set. Where an item is offered for sale by one of our merchants, the List Price or Suggested Price may be provided by the merchant.

With respect to items sold by PlentyBay, we cannot confirm the price of an item until you order. Despite our best efforts, a small number of the items in our catalog may be mispriced. If the correct price of an item sold by PlentyBay is higher than our stated price, we will, at our discretion, either contact you for instructions before shipping or cancel your order and notify you of such cancellation. Other merchants may follow different policies in the event of a mispriced item.
